### Letter From the Executive Director: Denise Kircher

Hello, Elancé at Sarasota Residents, Families and Guests!

Spring has finally arrived! A heartfelt thank you to everyone who participated in our Spring Brunch & Intergenerational Egg Hunt. I eagerly anticipate the myriad of new activities unfolding within our community. We're reintroducing the farm-to-table dinner and eagerly anticipating the return of beachside brunches. At the LUXE salon, we've welcomed a new stylist, with another set to join us shortly. I'm thrilled to witness the blossoming of new ventures throughout the community. Don't miss out on our Sarasota Regatta on April 16th at 2:00 PM! Immerse yourself in the festivities with our special Sea Breeze drink, relish delectable shrimp cocktails, and groove to the live tunes of the Hatley band. Join us for an unforgettable experience!

Warm Regards,  
Denise Kircher

### Resident Spotlight: Warren A.

When Mr. Warren A. retired, he sought something beyond golf to occupy his time. Having always enjoyed working with his hands, he discovered a hobby shop on 41 that specialized in wooden ship kits. Every Monday night, the owner conducted classes on constructing these kits, which Mr. Warren eagerly attended. Over time, he successfully built six ships. However, as shaking hands and poor eyesight hindered his ability to tie knots and thread dead eyes, he transitioned to needlepoint. His mother-in-law had imparted the basics of needlepoint to him fifty years prior, and after taking a lesson at Needlepoint Studio, Mr. Warren found himself thoroughly enjoying his new hobby, finding it much less tedious than his previous pursuits.

**5 Tips for Springtime Skincare**

- Gently exfoliate your skin to get rid of dry, dead skin from the cold winter months.
- Moisturize your skin, including your face, hands, and décolleté.
- Wear SPF daily, especially when you know that you will be outside for long periods on a nice day.
- Add an anti-oxidant to your skincare routine to protect from free radicals.
- Drink plenty of water!

Your skin is your largest organ, so it is important to take care of it just like you do the rest of your body! Interested in learning more about what LUXE Unlimited has to offer?
